

VOL'IN GREEN

TEAM VOLUNTEERING IN FRANCE

WHAT IS VOL'IN GREEN ?

Hors Pistes offers to 15 young people from Europe to experiment «team volunteering» with the European Solidarity Corps in the south of France.

This 21 days experience (in May 2023) will gather together 15 young people from France, Italy, Spain, Germany and Romania to :

- Discover environmental organisations based in the south east of France
- Exchange about healthy and responsible lifestyles.
- Empower young people to actively get involved, individually or collectively, in ecological activism
- Share moments of collective life in an intercultural community.

TARGET GROUP

15 young people from France, Germany, Spain, Italy and Romania between 18 and 30 years old.

Conditions to participate :

- be motivated!
- be available during the whole month.
- be interested in the topic of the environment.

SENDING ORGANISATIONS

Team for Youth (Romania), Eufemia (Italy), La Vibria Intercultural (Spain) and Centre Française de Berlin (Germany)

PRACTICAL INFORMATION

- Hours of mission : 30 hours per week.
- 2 days off per week.
- Pocket money : 130 euros
- Most of the meals will be provided by Hors Pistes (otherwise you will receive extra allowance).
- The accommodation (tents, dormitories, etc) will be shared with the other international volunteers.
- We will move around the region during the month and transportation will be covered by Hors Pistes
- You will be reimbursed for the amount of travel costs based on the travel distance.

WHERE

French Alps

WHEN

02 - 22 May 2023

THE VOLUNTEERS WILL :

- 1 participate in the group dynamic (team building, communication, cooperation on cleaning and cooking)
- 2 have the opportunity to participate or organise workshops (environmental, zero waste, recycling, etc)
- 3 work on the restoration and upkeep of the ecological place La Fontaine de l'Ours
- 4 discover the local farming community and help on the seasonal tasks
- 5 support the implementation of the local Artgricoles festival
